PRODUCTS

A FRANCE COMPANY

Louvers

- ◆ Use for heat ventilation in sign enclosures and boxes to extend life of transformers and other sign components.
- ◆ Available with or without a built-in screen to keep out bugs!
- ◆ Easy to installation: just insert in hole and bend tabs to secure.
- ◆ Made from aluminum sheet (no screen models)
- ◆ Products available to fit in 1", 2", 3" and 4" hole diameters
