

Reduce sign installation time

France LED Fast-Pak™ Kits

Pre-assembled, pre-wired and
ready to connect

- **Quick and easy to install**

Wiring holes are already punched, no need to deal with knockouts

- **Reliable**

UL recognized plugs supplied for unused wiring holes to increase protection and uptime

- **High quality**

All components mounted within the LED Fast-Pak kits are reliable SFEG sign accessories

All models include

- UL recognized power switch for wet locations
- On/off indicator
- Green wire connected to the ground terminal

Required 1/2" power supply clearance off the enclosure horizontal surface

LED Fast-Pak™

Features a premium 60 watt LED power supply in a wet-listed enclosure, horizontal mount only

mini LED Fast-Pak™ Double mini LED Fast-Pak™

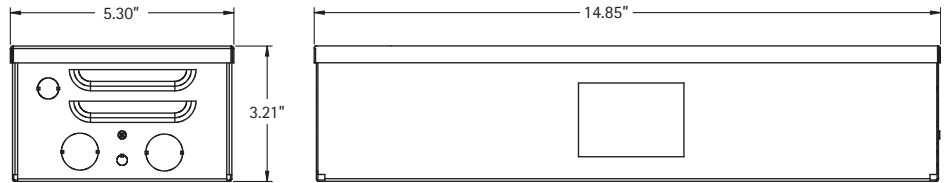

One or two compact 60 watt LED power supplies in a smaller, wet-listed LED power supply box, horizontal or vertical mount

See reverse side for dimensions of each model
